

The Northern Community & School Recreation Coordinator Program, September 2010 – August 31, 2013: The purpose of the Northern Community & School Recreation Coordinator Program (NC&SRCP) is to enhance the quality of life for northerners through the provision of community based sport, culture and recreation programs after school, in the evenings, on weekends and at community and school special events. Community & School Recreation Coordinators (CSRC's) are employed to facilitate the delivery of sport, culture and recreation programs, using the school as a major asset of the community and in partnership with other community based organizations providing sport, culture and recreation programs, services and facilities.

The mission of the Northern Sport Culture and Recreation District is to facilitate and foster the development and delivery of sport, culture and recreation and leadership programs and services which are responsible to and benefit the people and communities of Northern Saskatchewan. Facilitation of Community Development is a strategic direction with the objectives of communities providing and accessing sport, culture and recreation services and programs based on need and that communities recruit and retain employees in the recreation sector. The NC&SRCP links directly to the mission and strategic direction of the District.

The success of the NC&SRCP program is dependent upon community based commitment, leadership and direction.
