TEN MEDALS FOR TEAM NORTH

A Big Thank You from Team North Team North Update

The Stanley Mission Judo Club would like to thank everybody for all their support. A special thanks you to Bernice Mckenzie who had put in her time to principles of both schools, community members who have supported the Judo Club and the manager Vitoria Hardlotte. On Day Three they did well considering that this is the first time they added this competition in the Winter Games. Everyone participated & had fun. Overall the Judo Team learned & gained experience while having a great time. In closing, the Judo Team would like to thank the Mission Staff for a job well done & for the support they have give us.

Written by Ronnie Mckenzie Coach

Figure Skating lead by Carrisa Borthwick and Lynette Merrimen had a strong showing at the Games this year. Monica Merriman came very close to securing a medal right up to the end of her skate. Congrats Monica on such a strong skate and the rest of the team.

Cross Country Skiing Team North has a very strong team this year with a good showing from La Ronge and the remainder from Pinehouse and Flin Flon. Many of skiers made into the first three start positions on the qualifying heats from their Sask Cup points. These positions are coveted spots that give them a strong position right off the start.

Table Tennis Team North has three players from La Ronge this year new to the sport. Cheer em on!

Wrestling Team North has lots of athletes from all over the north and many experienced girls in the mix this year. Do your best!
