Skiing Highlights

Team North did it again in cross country skiing today. We got three Golds from Ragner Robinson, Emma Smallwood and Takwakin Trottier blew away the competition by significant leads. It is amazing to watch these skiers because they have so much skill that they make it look effortless as they fly by. Our skiers medaled in all categories from Junior to Midget. Donald Erikson really stepped up to the plate with a Silver in Juniors. Ragner Robinson had an exceptional ski today with a ski breaking right off the start and his sister Sekwun running out to give him her training skies. Thanks Sekwun for saving the day!
