THANK YOU FOR HELPING US TO MAKE OUR NORTHERN SASKATCHEWAN ADJUDICATED ART SHOW AND WORKSHOP A HUGE SUCCESS

The **La Ronge Arts Council** funded by the **Northern Sport, Culture & Recreation District** organized an adjudicated art show as part of the 2013 Northern Saskatchewan Sport, Culture & Recreation Festival. The art show and adjudication took place at Mistasinihk Place in La Ronge on Feb. 20th 2013. Fifteen artists from La Ronge and area as well as Creighton/Flin Flon attended. Adjudicators Dean Bauche and

Roger Trottier did an outstanding job critiquing everyone's work encouraging artistic growth. The winners are excited to submit an exhibition proposal to OSAC.

This was a great opportunity to exhibit artwork from emerging talents, make connections within the northern arts community and beyond. The public reception attracted 30 visitors. Overall about 200 visitors viewed the exhibit including youth attending

the festival as well as community members.

Six artists attended an artist workshop on Feb. 21st at the La Ronge Public Library to further improve their craft.

The La Ronge Arts Council gained new members.

Without your financial support this event would not have been possible.

Thank you for supporting northern artists!
